And Sandalphon?
Steps
Steps
He has arrived. He is waiting for you, Ms. Yuriel.
We'll see if it's true...

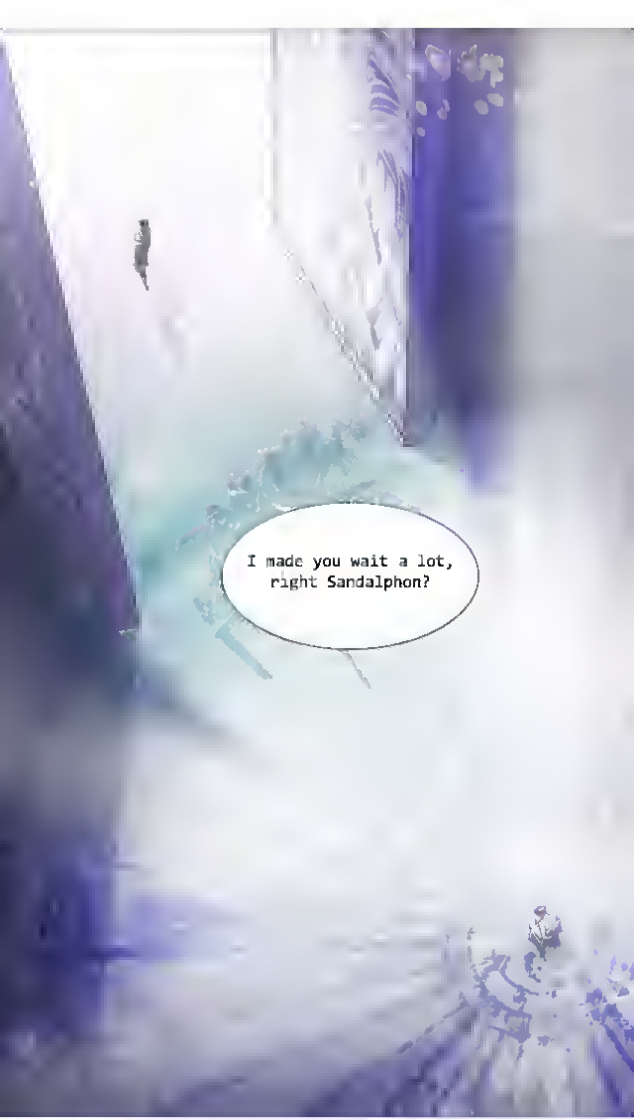
Opens

Creaks...



I made you wait a lot, right Sandalphon?

Uriel, the welcome of your subordinates were a bit rude, huh?
I think it would be better if you took these off before talking...
My subordinates just followed my orders.
I have a lot of patience with you, Sandalphon.
Do I have to remind you that you are not an Archangel anymore?

Why is the black list walking alone on Earth?
Ah...
Because...

Remember that you're the one in charge of protecting her.
Hasn't Gabriel told you? Heaven is going to declare war on Hell.

And when the war breaks out. If the black list falls to the hands of the demons.

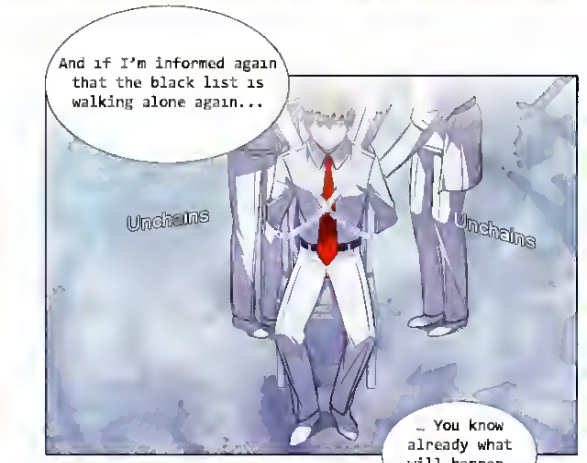
....

Heaven… will fall apart.

And you? Why didn't you tell me before that Sophia was an AAA black list?
If you'd told me earlier, I wouldn't have accepted this job

Nor you nor me had another option.
Since this was a direct order of Metatron and Lord Michael had to obey.
... Metatron..
Moves

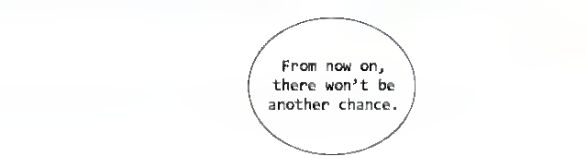
For now, go back to Earth.



And if I'm informed again that the black list is walking alone again...
Unchains
Unchains

... You know already what will happen, don't you?
Clank
I've helped you enough, Sandalphon.

.....



From now on, there won't be another chance.

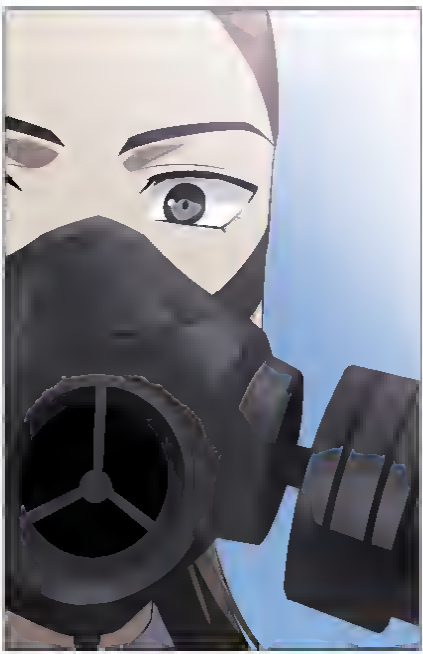
Did you send the report correctly?
Obviously. I think it already must have arrived to Ms. Yuriel.
Good... But-

Who is this human?



Closes
A year ago, he had a terrible accident.
As the house, in which Mr Jonathan Catterall stayed, collapsed and he's been in a *vegetative state

*The vegetative state is a clinical condition when the person doesn't give any evident sign of conscience of themselves or of their environment, and seems unable of interacting with others or reacting to any stimulus. (Source: Wikipedia :D)

Until today

Grabs...

... Did you do this?
I already told you. I will make every wish of yours come true.
Don't worry. When the time comes, I'll wake him up.
"When the time comes"?!

When the time comes...

What..?

It can't be Henry... You...
...
Henry...!!
Henry...
It's a good name. I like it too.

My father had nothing to do with this!

Of course he did! He is here because of your wish

This is not my wish.
I never wished this!!
Sssshh
You shouldn't make a ruckus in the hospital

Your father is sick in his head at this moment.
?!

As you know, the head keeps all of our memories
I can change that

What... are you saying...?
I can turn him into the "father" you always wanted
It isn't difficult. If I can change a little of his memory, then I can turn him into the father that you always wished for.
I know it all, Sophie. The things you want...

And you also know what I want.
...

Sorry, looks like I crossed the line
Walks
As you're reuniting after so much time, it'd be better if you had time for only the two of you.
I have to go. You can go back to Sandalphon's house alone with the elevator, right?

From now on, I'll come to this hospital every day for a year.
So don't worry

Well, stay as long as you want
I'll see you tomorrow, Sophie.
